

## Rocky Hill Historic District 30<sup>th</sup> Anniversary Preservation Honors Program Sunday, October 9, 2011

Help us recognize great preservation efforts in Rocky Hill.

Tell us about your favorite historic house, structure, streetscape, or vista, and nominate it for a special honor to mark the 30<sup>th</sup> Anniversary of the Rocky Hill Historic District. Honors will be announced at the Community Picnic Sunday afternoon, October 9, 2011.

The recognition committee, which includes non-resident professionals, welcomes all nominations and is looking for outstanding examples of:

**Restoration** – A building, structure, or landscape returned to its documented historic appearance using appropriate building materials and maintaining important historic features

**Rehabilitation/Adaptive Reuse** – An old building or structure repaired for continuing use or a new adaptive use while respecting its setting, materials, and important historic features

**Compatible Additions** – New additions to or alterations of existing historic structures that respect and complement the scale, massing, and features of the historic building

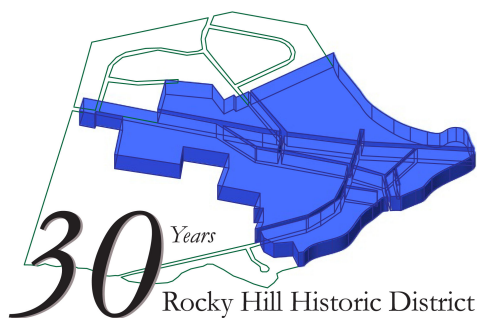

**New Infill Construction** – Entirely new construction built after the creation of the historic district in 1983 that is harmonious with, and responsive to, the character, scale, and setting of its surroundings.

**Preservation/Stewardship** – Exemplary cases of ongoing preservation through extraordinary efforts at maintenance and upkeep.

**Smart Preservation** – Properties that best exemplify the benefits of listing on the New Jersey and National Registers of Historic Places, including the use of federal tax credits, grant funding, Historic Preservation Office review, etc.

### GUIDELINES
